COMMUNITY SERVICE for SEPTEMBER

For the volunteer events this year I thought it would be fun for everyone to do two volunteer events each month. One, the whole club event where everyone participates together, and one **OPTIONAL** individual volunteer event where, for example, everyone plants a native plant in their garden (I can get these through our contact at the PVP Land Conservancy for about \$10 a pot). So, these are my ideas for next year. I know there are some things we do every year. I'd like people to send me their pictures so that I can make a big 4-H collage poster (they make

them at Costco), that we can showcase at a meeting at the end of the school year. So, I would remind everyone to send me any pictures of. Also, at each meeting I'd like to remind the club of the current and next month's volunteer event to get everyone excited about the volunteer things.
